FROM MELISSA PROVOST-BOYLE:  
ACTING PRINCIPAL

2015 School Captains

Congratulations to Zara C and D’Arcy H who were elected by their peers as our 2015 School Captains.

I’d like to extend my thanks and congratulations to all students who nominated for the roles of School Captain. You should be so very proud of your efforts and your mature and positive response to the outcome.

Parent-Teacher Information Evenings

These are a regular event at the commencement of each school year and provide an opportunity for you to get to know teachers as they share routines of the class, expectations of students, aspects of the learning program and assessment and reporting procedures. I look forward to meeting more parents on Tuesday and Wednesday evening.

Open communication and the partnership between home and teachers is a key factor in a student’s success at school. It’s great to see so many parents signing up to help in classrooms.

I’m looking forward to seeing you next week at the Parent Information Evenings.

Tuesday 10 February

6.00pm - Prep, Year 4 and 4/3
6.45pm - Year 2, Year 6 and 6/5

Wednesday 11 February

6.00pm - Year 1 and Year 5
6.45pm - Year 3

Plans are well underway for Authors from Ascot Week which will run from 16-20 February. Authors that will be working with us are: Jacqui Conias, Julie Fison and Kierin Meehan.

23-27 February is Author in Residence Week with Dr Cameron Stelzer. My sincere thanks to Mrs Lorraine Clacher who organises the event each year. This is a wonderful opportunity to hear and work with Authors from the Ascot community.

Reading Parent Information Sessions

Parent Reading Workshops are being held for Parents with students in Prep and Years 1 and 2. The sessions will focus on practical tips for reading with and supporting your child’s reading at home.

Prep Parent Reading Session Tuesday 24 February, 9.30-10.30am, in the staff room.

Years 1 and 2 Parent Reading Session Thursday 19 February, 9.30-10.30am, in the staff room.

Why reading is so important

So much in our life depends on reading – from simple (but very important) road signs to assembly instructions of kit projects and complicated contracts. Being able to read makes life safer and easier and helps us learn more about a whole range of topics.

Reading also gives a lot of pleasure. It can take your child to new places – real or imaginary - excite them with clever stories of mystery or show them events in history. You, as role models, can have a big impact on your child’s love of reading. If they see how much you enjoy reading, they will expect to enjoy reading too.

Over time your child learns more about words and reading. With practice they start to recognise lots of common words, such as once, because and mother, which help make reading easier. Reading is like a lot of things, the more we have a go at it, the better we get. As we get better, we are more likely to enjoy it.

BOUQUETS

Thank you parents for supporting our school in so many ways: Class Parent Reps, Morning Reading, Swimming, Tuckshop and the list goes on. Thank you!

FROM YOUR P&C

Please join us for our first FoVAD Meeting of the year next Tuesday 10 February at 9.00am in the staff room (under the Prep classrooms).

Art Week is booked in for second term from Monday 4 May through to Thursday 7 May. This is a whole school event in which every child has the opportunity to participate in lunchtime activities run throughout the school.

We have time on our side, so let’s get organised and make this, once again, a fabulous week filled with fun art activities for all the children.

It is also a great opportunity for volunteers to come together and lend a hand in an extremely fun environment. If we don’t have the support from volunteers none of this is possible.

So come along next Tuesday and please bring a friend who may be interested in joining FoVAD.

The first P&C Meeting this year is on Wednesday 18 February at 7.30pm in the staff room. I would suggest you come along and see what it is that P&C does. We also need some new people to lead our sub-committees this year. At the end of the day, if we don’t have volunteers to put their hand up to help out, we can’t run activities and that includes Tuckshop.

If you are interested in helping out or joining Ascot State School’s P&C, please email me at president@ascotsspandc.com.au.

Sarah Comiskey, P&C President

FROM MRS HADDEN: MIDDLE SCHOOL YEARS 3-7

An Ascot welcome

I have had the opportunity to catch up with many of our new students and their parents. The children are settling beautifully into their new school and are being well cared for by their new friends and classmates. Well done to our friendly and supportive girls and boys and to our new students.

School Captains

Last week our Year 6 children had the opportunity to present speeches to their peers and teachers to be elected to the position of School Captain. What an amazing display of confidence, skill and composure! The speeches revealed the creative thinking of our middle school children, whilst also demonstrating the standards which are clearly highly valued by our students and school. The children consistently spoke of their pride in their school, the need to set a high standard for their peers, their desire to assist younger students and to represent the student group at the highest standard. They also spoke of their desire to be role models and to play an active role in making our school a safe and positive place to learn and play. Well done to all nominees for an outstanding effort and for their positive response to the results.

Congratulations to Zara C and Darcy H who were elected by their peers as our 2015 School Captains. On Thursday and Friday of this week our Captains will join me at the Cluster Leaders Program, where we will plan an initiative which our Student Leaders will develop and complete this year.

Pick-Up Zones

The pick-up zones on both Massey and Pringle Streets are both strictly no parking zones. This rule is enforced in the interests of safety for all our children. Brisbane City Council and the police regularly check the areas for any infringements and impose heavy fines.
If your child is late arriving at the pick-up zone, in the afternoon, please move on to allow the free-flow of traffic. Many thanks to those parents who carefully follow these crucial rules, ensuring our children are safe!

**Sports Uniforms**

Children from Year 3 to 6 are able to wear sports uniform each Friday. The uniforms are available at our Uniform Shop. Later in the term we will begin Friday afternoon activities for Years 3/4 and 5/6 on alternate weeks, to provide skills programs, but in the meantime they are very popular attire for the children!

Kind regards

_Sharyn Hadden, Deputy Principal_

**FROM MRS DAWSON: EARLY YEARS PREP-YEAR 2**

**Food Allergies**

We have several children at Ascot State School who have food allergies resulting in anaphylaxis. We are requesting that all Ascot families not send nuts or products containing nuts and eggs. Even the smallest smear or contact with such products may cause anaphylaxis in some students. In a caring school community, we can all share the responsibility to help minimise the possibility of children coming into contact with a life-threatening allergen.

**Assembly**

Prep–Year 2 Assembly is held on a Monday mornings at 10.30am. All parents and grandparents are welcome to attend. The Assemblies are a wonderful opportunity for classes to showcase their learning and their talents. You may be surprised at what capable public speakers we have. Our first assembly is the Presentation School Leaders on Monday 23 February at 9.00am; everyone is welcome to attend.

**2016 Waiting List**

The Waiting List for 2016 is now open.

Have a fantastic week.

_Angela Dawson, Acting Deputy Principal_

**AUTHOR VISITS TO ASCOT COMING SOON ...**

In 2013, through the generosity of the P&C Teacher Scholarship program, I was very fortunate to initiate the Authors at Ascot Week. This was such a popular event that the school has continued this annual event.

This year, the focus is a little different in that we have invited authors from Ascot to be our guest presenters. During Week 4, all classes will have an author or illustrator conducted workshop in their classroom:

- **Prep–Year 2:** Mrs Jacqui Conias (Ascot parent, illustrator of ‘Mummy Who Am I’ and artist/designer of our Ascot Applauds awards)
- **Years 3-5:** Mrs Julie Fison (local author and mother of two former Ascot students)
- **Years 4-6:** Mrs Kierin Meehan (award winning author and our very own LOTE teacher).

During this week, there will be lunchtime activities and library displays for students to enjoy.

We will also take part in the “Room to Read” World Change Challenge by conducting a Book Swap to raise money for local libraries in Nepal, Tanzania or Cambodia. To participate, students will bring in a book that they no longer wish to keep and for a $1.00 coin donation they will be able to swap their book for another of their choice.

Next week, I will outline our activities for Week 5, when we will have Dr Cameron Stelzer at Ascot as our author in residence.

Start getting your pirate costumes ready!

_Lorraine Clacher, 6/5 Teacher_

City District Sporting Trials

This term, there will be many trials at various sporting venues for students turning 11 and 12 years old who would like to make City District sporting teams. The sporting standard at these trials is very high and the children who are selected to attend (numbers are restricted) will need to take completed paperwork and pay a small fee. Trials will normally be in school time and private transport to venues will be required. Because numbers we can send to trials are restricted, we would expect those students who express interest and are then selected do attend the trial. There is usually a very quick turnaround from trial notification to student nomination so students should express their interest to Mr Harris/Mrs Graham as soon as possible.

The trial dates for this term are as follows:

- Basketball – Monday 16 February
- Tennis – Thursday 26 February
- AFL/Hockey – Friday 27 February
- Rugby League/Netball – 6 March
- Soccer/Touch – 13 March

*Dates sometimes change or trials can be postponed due to weather.

City District Swimming

Trials to make the Ascot swimming team to attend the City District Carnival on Friday 13 February are complete. Those students who have made the team will receive all the relevant paperwork in the next couple of days. Forms need to be completed and returned to Mr. Harris as soon as possible. Well done to all those students who had a go and congratulations to those who were successful. If you didn’t make the team this year, keep training hard and make it your goal for next year.

Sports Captains

Our year 6 students will soon be nominating for the exciting positions of Sports Captain. Below are listed the criteria for selecting our Sport Captains for 2015.

Selection Criteria for Sports Captains:

1. The student demonstrates a positive attitude and good sportsmanship when participating in P.E. lessons and sporting fixtures
2. The student demonstrates good behaviour, is responsible and dependable
3. The student has participated in school sporting events, including swimming and athletic carnivals and the interschool sports program
4. The student may have achieved representation in one or more sports at District/Met. North/State or National level
5. The student will not have accepted any other leadership position, i.e. School or Class Captain.

N.B. Ideally, male and female Captains will be chosen for each house, however in circumstances where there is no candidate of one gender who satisfies the above criteria, candidates from the alternative gender will be considered.

Paul Harris/Alayne Graham

STUDENT SUCCESS AND WELLBEING

My name is Deanne Clark and I have the pleasure of working two days/week as the Student Success and Wellbeing Coach at Ascot State School.

Student Success and Wellbeing is a wonderful program that I am delighted to co-ordinate. At the heart of the program is this most important of goals: to teach our students how to learn and fulfil their potential.

My role includes teaching the subject “Student Success” to all students in Years 5 and 6. Each class receives 1 x 30 min. lesson/week. Together with the Years 5 and 6 teachers, we focus on the 21st Century Skills of Engagement and Motivation based on the work of Professor Andrew Martin, UNSW and Dr Carol Dweck, Stanford University. We deliver a program that includes strands such as helpful and unhelpful thinking and behaviours, fixed versus growth mindsets, the varied levels of achievement and how students can fully engage with the best of who they are.

Teaching motivation, mindsets, achievement and wellbeing is essential for our students, not only for their successful transition throughout this year, but also throughout primary school, high school and beyond.

My role also includes working and planning with all teachers across Prep-Year 6, so they may teach their own classes our wonderful “Wellbeing” learning priorities. Each year this very important area of learning continues to grow at Ascot State School. This year, we are thrilled that seven teachers will also be trained in the Social and Emotional Learning Course entitled, Play Is The Way. This wonderful opportunity is being sponsored by the Ascot P&C, through the Teacher Scholarship Funding. We cannot thank the P&C enough for their support and are looking forward to attending this professional learning opportunity in February. Adding the activities and learning of Play Is The Way to our teachers’ toolkits will prove invaluable for Student Success and Wellbeing and provide wonderful opportunities for all our students.

It is a privilege to co-ordinate this program and I look forward to meeting your child/children and wish them a very successful 2015.

Warm regards

Deanne Clark, dclar70@eq.edu.au

COMMONWEALTH BANK

NEWS FROM THE P&C HEALTH AND WELLBEING COMMITTEE

On Sunday I brought my boys down to the school oval for a bit of a run around. Whilst doing so, one of my sons noticed the line-up of people in Pringle Street outside the school gate. “Are there homeless people here Dad?” he curiously asked.

And then came a long conversation about our school and how there are people who don’t live in the area but want to have their children come here. His response, in typical kid “in the now” fashion was, “But how will they get their dinner?”

It is often said it takes a village to raise a child. If we substitute village for community, you can understand why these people line up to have their children enrol at Ascot State School. Coming here every day to either drop your children off, or to work here, it can be easy to take for granted how good it really is here at Ascot. If it wasn’t, these parents wouldn’t spend the night on the street for the chance to do what we have the privilege to do. After all, the clients of the school are the children, not the parents or carers, nor the staff; it’s the kids – our kids.

From my three years here, it certainly has been the “community” that has made the difference. Sure it takes a while to get to know people and yes, there are the “clicks”. That’s everywhere and the difference of belonging is simply time. The longer you are here and the more you get involved, the more you grow with the “community”. This year is particularly a good social and community year with the introduction of the Ascot Picnic on Sunday 8 March as well as the biannual Big Day Out. These are two outings that will add to the vast array of events that our children’s lives are enhanced by and add to the experiences they gain from being in the Ascot State School community.

These community events don’t happen by accident. Much planning and effort is put into these events through the P&C in conjunction and co-ordination with the School staff and Administration. Later this month there is a P&C meeting before the P&C AGM in March. If you want to see just how much the Ascot School Community is enhanced, you should come to the meeting(s) and get involved. To highlight a few of the benefits the P&C has brought to the school, consider just these four (of many) additions from the 2014 spend that was in fact approved in 2013 – funding for our wonderful Art Teacher; $15,000 for new home readers to ensure the reading program was maintained; $15,000 for new Mathematics materials and $47,000 for three sets of iPads for the classrooms to share.

Call Ascot what you like – a village or a community – it doesn’t matter, you just need to understand that the Ascot State School community is raising your child – whether it be the teachers, you and other parents or the other students. Get involved and grow with your child, you’ll feel better for it and so will the clients of the School.

WELCOME GROUP

Have you recently enrolled your child at our school and would like to meet other parents? You may be interested in joining our school’s Welcome Group. Our Welcome Group has been set up primarily as an opportunity for new parents to our school to meet other school families, although anyone who is interested in making new friends is welcome to attend!
Our Welcome Group catch-ups are on Wednesdays at White Jam Cafe in Hendra. Please get in touch with Peter if you have any questions.

FROM THE TUCKSHOP

Welcome back to another great year of Tuckshop. We provide a valuable service to the school and endeavour to improve our Menu each year. We have already added a chicken tenderloin wrap to our menu this year. Thanks to the mother who suggested it. We currently have sushi twice a week on a Tuesday and Thursday and Subway on a Friday. Salads and sandwiches are provided Monday-Friday.

Parents are a valuable part of the Tuckshop work and without your assistance making Home Bake and working in the Tuckshop, we would not be able to open five days a week.

Kathryn and Yolanda are the Co-Convenors, Julia C is the Chairperson, Jenny F is the Treasurer and we welcome Nadia S as the new Secretary. We look forward to another successful year.
