FROM MELISSA PROVOST-BOYLE:
ACTING PRINCIPAL

Thank you to our teaching staff for providing Parent Teacher Interviews last week. Interviews are highly valued by Parents, Teachers and Administrators.

IPS (Independent Public School) Friday Forum
Each Friday Jane Sedgman will facilitate a discussion with interested parents and staff on particular topics in order to progress the IPS agenda in the school. I’ll let you know the topics that will be discussed. Interested parents/community member are welcome to attend.

Each week I’ll provide an update in the Digest on what was discussed at the Forum.

Last week we discussed the need to develop IPS information sheets for parents, staff and prospective staff. DETE IPS materials will be personalised to reflect the values and culture of the school.

We discussed what action is required to establish the School Council. Parents and community members who have been or are currently on a Board or School Council will be asked for their insights.

The formation of the School Council will consist of the following members:

- Principal: Jane Sedgman (Direct appointment)
- P&C President: Sarah Comiskey (Direct appointment)
- Two (2) Parent Representatives: ELECTED
- Two (2) Staff Members: ELECTED
- Two Community Members: APPOINTED BY THE COUNCIL.

Friday Forum Focus

9 May: HR/Recruitment strategies.
16 May: School Councils

Please join us to share your expertise insights into HR/ recruitment strategies and School Councils.

It certainly adds up doesn’t it?

It’s important that your child/ren arrive on time to school, so they are ready to start the day and are engaging in the morning routines.

2015 Prep Enrolment

If you are residing in the catchment area or have a sibling of a Prep age child for 2015 and you wish to enrol them in Prep 2015, can you please call into the office to collect an enrolment form?

To all of our wonderful Mothers - have a very special Mother’s Day.

Acting Principal
BOUQUETS

Thank you to Sarah C and Julia R who attended the IPS Friday Forum. We value and appreciate your input. Our IPS Friday Forums will be held every week. All are welcome.

Thank you to Nicola W, parent volunteers and the Music Department for hosting the Years 7/6 Disco. I hear some of the students have some very impressive dance moves!

FROM YOUR P&C

Last Friday I met with the administration team of the school to talk about Ascot – an Independent Public School (IPS).

The government material states “an IPS will be provided with an opportunity for greater involvement with their school community in scoping the strategic direction to embrace innovation and tailor school programs to meet the individual needs of their community”. What does this mean and how does it actually translate for the parents, teachers and students of Ascot? Well, at the moment, we aren’t sure, but that is the purpose of the meetings each Friday, to help us achieve some clarity.

There are some changes that we already know about - like the way the principal can decide staffing, a one line budget which gives the school flexibility to decide how it spends its money and not being bound to many of EQ’s normal operational policies/procedures (however an IPS must still comply with legislation, directives and ‘whole-of-government’ policies).

And just as importantly, what doesn’t change – is that the school must still teach the national curriculum, the school's enrolment policy (i.e. catchment area) will remain as is, there is no change to the school name or uniform and lastly, the role and function of the P&C remains the same. As President of the P&C, I will sit on the School Council.

I have heard about a few examples of how other schools have embraced being an IPS. Wellers Hill State School has started a Japanese immersion course this year, where half of the curriculum will be taught only in Japanese by Japanese speaking teachers. In essence, the children will speak Japanese for half their classes (starting in year 1 and going all the way through to year 6). This is done so by the end of year 6, all students will be totally fluent in Japanese. The community obviously love the idea, as the school had to say ‘no’ to about 50 students who wanted to enrol. Mansfield SHS is another school that is an IPS and they have decided performing arts is their focus and also ESL students. So obviously, the school's budget, staffing and resources are focused on those two areas.

As you can see, the opportunities for Ascot being an IPS are very exciting. Please keep an eye on the Digest for the topic of discussion each Friday as if it is an area of interest, we’d love to see you at the meetings. If you aren’t able to make the meeting, please send me your thoughts, ideas or comments and I’ll submit them. This is a real chance for parents to have their say.

My contact details are president@ascottsspandc.com.au.

FROM MRS HADDEN: MIDDLE SCHOOL YEARS 3-7

The safety of our students is of paramount importance, which is why we appreciate those parents who carefully observe the pick-up and drop-off routines. Please ensure that you do not arrange alternative pick-up points with your child, as it makes the job of keeping our children safe more difficult. If you are delayed, ring the office so that we are able to bring your child to the office and let them know you are on your way.

NAPLAN

Next week our Years 3, 5 and 7 students will be completing the national tests in Literacy and Numeracy.

Our students have produced excellent results in the past and we expect that they will once again perform very well. Their teachers have been utilising the pre-test materials provided by Education Queensland to familiarise the students with test conditions and with the type of questions they will be expected to answer.
We want our children to be relaxed and confident when they participate so that they are able to perform to the best of their ability. The results are used to plan future learning for our students and to ensure that our school curriculum is challenging and relevant to student needs. The tests will be conducted on Tuesday 13 May, Wednesday 14 May and Thursday 15 May during the morning and middle sessions of the days. If your child is absent on one of those days the test catch-up day is Friday 16 May.

Cyber Safety
When children experience any form of bullying, one reaction can be to keep it to themselves. A change in behaviour could indicate that your child is being cyber bullied.

If you think your child is being cyber bullied:

- discuss any changes in mood or behaviour
- work with your child to save evidence which may be necessary to prove to other authorities
- talk to your child and block anyone whose influence could be detrimental to your child
- always be aware of the sites your child is accessing.

Spellathon
Thank you to our super spellers and their generous sponsors for the amazing Spellathon total of $21,423.50. The winning classes are 3E in the lower school and 5C in the middle school. An excellent effort – thank you!

Assembly
Well done Year 4B for your entertaining presentation complete with Luke Skywalker and Darth Vader, not to mention a very authentic Nick Marsh. There are so many fun ways to learn and to get a message across and this assembly was a perfect example. Well done girls and boys!

Student of the Week Years 3-7
Next week we look forward to 4C presenting their assembly. The award will be for “Finishing what you Start”. It really is a skill which develops with persistence and by ensuring motivation is alive. Children all love something, new but keeping the shine on the new activity is the skill that many teachers work hard to develop in their students. Congratulations to the following children.

P.E. NEWS

District Trials

Congratulations to those students who competed yesterday in the District Cross Country Trials. We look forward to sharing their results in next week’s Digest.

Congratulations also to Olivia and Marielle S who competed very well at the District Tennis Trials with Marielle progressing to the play offs and being selected in the District team.

Perceptual Motor Program (Preps/Year 1)

The Perceptual Motor Program started this week (Year 1 – Monday & Prep - Tuesday) and continues until Week 8. We need adults to assist with the program so, if you haven’t already volunteered to help, can you please add your name to the roster at your child’s class room?

Alternate Gala Sports Program (Years 5-7)

The intra-house sports competition starts this Friday so please return permission forms by tomorrow, if you haven’t done so already. Students should know their group and which activity they will be participating in first, otherwise they need to see their teacher to check. Students travelling to outside venues won’t need to take anything, but students staying at school will need hats, sunscreen and a water bottle. We trust the children will participate fully, display appropriate behaviour, enjoy participating and developing their skills.

The Years 7/6 Disco was a huge success last Friday night.

The next event is the Years 4/5 Disco on Friday 23 May. Refer details in this Digest.

Preparations for our Mothers’ Day Stall this Friday are being made. If you are available to help this is what will be required:

- moving boxes of items from the parent store room (next to the sports store room) to the hall. Some boxes are easily carried while some will need to be trolleyed up - there will be a couple of trolleys to use;
- trestle tables arranged in the hall;
- unpacking boxes of gifts, displaying on the tables and placing in bags. (This job will continue once the Mums arrive who are working on the stall.)
- collapsing empty boxes that accumulate and taking them up to the recycle bin on the games court.
- selling gifts to any early customers who arrive before school starts.

REMINDER - MOTHER’S DAY STALL FRIDAY 9 MAY
ALL GIFTS - $10.00

The Mother’s Day Stall is this Friday 9 May in the Hall from 8:30am until morning tea.

All gifts are priced at $10.00 which is great value for money given the fabulous range we have accessed this year. There are enough gifts provided for any additional gifts children may like to get for other primary carers, like step-mothers or grandmothers, too. The stall will be packed up after morning tea so children, parents or teachers are welcome to come for further purchasing if they like at morning tea. The younger grades can do this at the time their class comes to the stall.

It is helpful if $10.00 can be sent to school in a named envelope.

We will need a hand on the day – please refer to details in this Digest.

Warm regards to all.

FROM THE TUCKSHOP

Australia’s Biggest Morning Tea

The Tuckshop will be hosting its annual Biggest Morning Tea on Wednesday 4 June to help raise funds for the Cancer Council of Queensland to fund research, prevention and early detection programs, support services and advocacy campaigns for the 1 in 2 Queenslanders who will be affected by cancer by the time they are 85. The support of Queenslanders like the Ascot State School community makes its work possible.

Event: Tuckshop’s Biggest Morning Tea
Hosts: Kathryn, Julia, Jenny and Jo (Tuckshop Committee)
Date: Wednesday 4 June
Time: 9.00-10.30am

Morning tea provided for a gold coin donation
Great raffle prizes.

If you can help the Tuckshop Committee by either:
• donating a prize for the raffle
• baking a cake, slice or savoury for the morning tea
please contact Kathryn Tuckshop@ascotss.eq.edu.au or phone 3326 9326.

Let’s make this event as successful as we possibly can.

Prep Parents

Term Two is finally here and the Prep students can now purchase Tuckshop online via the flexischools system. Tuckshop for Prep students is Mondays - Thursdays.

Routine for Forgotten Lunches

The Tuckshop has a standard Forgotten Lunch that we provide to children who have forgotten to bring their lunch to school. We then send a note home with the child, with the Forgotten Lunch cost and ask for payment to be made via flexischools.

On occasions we have children who state that they have eaten all the lunch that has been provided and they are still hungry. In cases like this we provide the child with a sandwich.

Ordering Lunch from the Tuckshop

If your child has a Tuckshop order and does not receive it in their Tuckshop box, could you please let them know that they are to return to the Tuckshop and let the Convenor or a parent working at the Tuckshop know so that we can check our daily flexischools records to ensure that they do receive lunch. As you can imagine, there can be several reasons why a lunch is not in the Tuckshop box:

• a friend has taken the lunch out of the box to give to a child but has not found the child before he or she comes down to the Tuckshop to say their lunch is missing
• the parent has forgotten to order
• the Tuckshop has forgotten to put the order into the box

Please let your children know regardless of why their lunch is missing, as long as they come down to the Tuckshop and let

the Convenor or one of the parents know their lunch is missing, we will endeavour to find it or provide a replacement.

Dad’s Day Out Sausage Sizzle – Thursday 8 May

Just a friendly reminder to all parents we are starting the Dad’s Day Out Sausage Sizzles again this year. Thanks to our local butcher, Simon’s Meat Gallery, Oriel Park, we have been able to source sausages that meet the Smart Choices criteria and we can again have Dads cook a sausage sizzle once a term.

If anyone has any more queries in relation to the sausage sizzle please contact Kathryn at the Tuckshop she will only be too happy to discuss things with you.

You can order now on flexischools our special Dad’s Day Out Sausage Sizzle for this Thursday.

Volunteers

Please contact Kathryn at the Tuckshop on 33269326 or Tuckshop@ascotss.eq.edu.au if you are unable to make your shift so that we can cover for you.
